

# Johnny Remember Me

The Meteors

When the mist's a rising  
And the rain is falling  
And the wind is blowing cold across the moor  
I hear the voice of my darling  
The girl I loved and lost a year ago

Johnny remember me

Well it's hard to believe I know  
But I hear her singing in the sighing of the wind  
Blowin' in the tree tops way above me

Johnny remember me

Yes I'll always remember  
Till the day I die  
I'll hear her cry  
Johnny remember me

Well some day I guess  
I'll find myself another little girl  
To take the place of my true love  
But as long as I live I know  
I'll hear her singing in the sighing of the wind  
Blowin' in the tree tops way above me

Johnny remember me

Yes I'll always remember  
Till the day I die  
I'll hear her cry  
Johnny remember me
