

Ladykiller

The Meteors

Yeah I want her
Yeah I love her
Yeah I want her till the day |I die
Could be sooner , sooner then later
She's a psycho killer just the way I like

Chorus

She's gonna get me
She's gonna get me right now
She's gonna get me
she's gonna get me
She's gonna get me and she'll show me how

Yeah I want her
Yeah I love her
Yeah I want her till the day |I die
Could be sooner , sooner then later
She's a psycho killer just the way I like
This girl is hot
This ladies evil
This girl is crazy
But I love her just the same
She's so horny
She's so naughty
She's so clever
And s just so insane

This girl is hot
This ladies evil
This girl is crazy
But I love her just the same
She's so horny
She's so naughty
She's so clever
And s just so insane.
