

## Paint it Black

The Meteors

I see a red door and I want it painted black  
No colours anymore, I want them to turn back  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black  
With flowers and my love, both never to come back  
I see people turn their heads and quickly look away  
Like a newborn baby it just happens ev'ryday

I look inside myself and see my heart is black  
I see my red door and I must have it painted black  
Maybe then I'll fade away and not have to face the facts  
It's not easy facing up when your whole world is black

No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look hard enough into the setting sun  
My love will laugh with me before the morning comes

I see a red door and I want it painted black  
No colours anymore I want them to turn back  
I see the girls walk by dressed in their summer clothes  
I have to turn my head until my darkness goes

I wanna see your face painted black, black as night,  
black as coal  
Don't wanna see the sun, flying high in the sky  
I wanna see it painted, painted, painted, painted black,  
yea
