

U Ain't Right

The Meteors

1/

You can fool a lot of the people but you don't fool me
You think that you're a big deal your just a wanna be
You Ain't doing nothing that we Ain't already done

2/

Its not the real thing that your pushing sooner or later your g
onna get caught
It takes more to get their blood rushing then all the fashion y
ou ever bought
They'll see through you they ain't so dumb

Chorus

You ain't right fucker you ain't right
You aint' right fucker you ain't right
You ain't right fucker you ain't right
You ain't right and you'll never be

3/

Your gonna start a revolution (yea) in your wet dreams
You're at the wrong end of its evolution you'll never get what
it means
Psycho's what your not what it takes you ain't got

(Chorus)

4/

You wont like it when you hear this well what you gonna do
Any one who really knows it is gonna know its true
Enjoy it while you can its gonna end in tears

Bridge

You don't push it forward you just hold it back
Your not one of the good ones your on a metal track

(Chorus)
