

Just Kissed My Baby

The Meters

I feel like a king,
'Cause I just kissed my baby.
Money don't mean a thing.
'Cause I just kissed my baby.
Way down inside
A man is a man
And a woman is a woman.
Well, well, well just kissed my baby (where'd you kiss
her?)
Well, well, well just kissed my baby (where'd you kiss
her?)
Well, well, well just kissed my baby (where'd you kiss
her?)
Get along
I feel so good inside
'Cause I just kissed my baby
Half your share is my share,
And my share is your share, too.
Squeeze my lemon
'Til the juice runs down my leg.
Feel like a king
'Cause I just kissed my baby.
Well, well, well just kissed my baby (where'd you kiss
her?)
Well, well, well just kissed my baby (where'd you kiss
her?)
Well, well, well just kissed my baby (where'd you kiss
her?)
Get along

Night people
Hanging out
Looking at each other
Waiting for something to happen

Ahhh... tickle my spine!"
