

Allow Them

The Mighty Mighty Bosstones

here little skunky huuh. Allow them They just crawled out of the
e woodwork Allow them like The roach in the expensive suit and
tie Allow them Failure has far too many fathers Allow them Succ
eed and you're an orphan 'til you die Now then no one is saying
they deserve it Noone is saying so it What's more they've gott
en more than they deserve Thats why its gotta go. Allow them Th
ey've got a pitch and a proposal Allow them The runaround might
be a better term for it Allow them They think that they've got
us at their disposal Allow them Sit still this won't hurt a bi
t Now then no one is saying they deserve it Noone is saying so
it What's more they've gotten more than they deserve Thats why
its gotta go The day will come when there is nothing left to be
afraid of Allow them They will destroy themselves if we allow
them to. It's such a cold, cold whorey place There's more than
rats running in the race And more than weasels calling in the p
lays These are cold, cold whorey days Deception is an ax they w
ield There's wands to wave with every call they field This just
is not us at all And if it is, we've dropped the ball And we k
now who's not a carrier They hide behind a barrier That they'll
destroy themselves somehow It's up to us if we allow They will
destroy themselves if we allow them to. Allow them Well now Th
ey're setting it in motion Unaware, unaware where they are head
ing to right now Allow them We'll wait for the commotion That's
bound to come it's Bound to come Bound to come if we allow Now
then no one is saying they deserve it Noone is saying so it Wh
at's more they've gotten more than they deserve Thats why its g
otta go The day will come when there is nothing left to be afra
id of Allow them They will destroy themselves if we allow them
to Yeah They will destroy themselves if we allow them to They g
otta destroy themselves if we allow them to. alright.
