

I Know More

The Mighty Mighty Bosstones

Somebody bring me back to the beginning A place as nice as any place to start That's where I must have misplaced my opinion I wasn't sure where I was headed I was following my heart In the beginning I'm recalling Thinking I thought I knew it all And I think I thought I knew a lot Now I know I knew so little. So bring me back to where and when I was convinced I could go up against whatever came along Bring me back and I'll bring back what I've learned since Lately I'm convinced in the beginning I was wrong In the beginning I'm recalling Thinking I thought I knew it all And I think I thought I knew a lot Now I know I knew so little As time progressed, I've reassessed I know that now I know at best It isn't all or nothing It's somewhere I know in the middle. I know more - I know Now then I knew then I know I know, now I know I know Then I knew less Than I thought so I know more - I know Now then I knew then I know I know now I know Then I knew less Than I thought so In the beginning I'm recalling Thinking I thought I knew it all And I think I thought I knew a lot Now I know I knew so little As time progressed, I've reassessed I know that now I know at best It isn't all or nothing It's somewhere I know in the middle.
