The Mighty Mighty Bosstones

Simmer down, my head is too hot so.
Simmer down, he's gonna get dropped so.
Simmer down, man, here's what I say.
Simmer down, now I've got to got to simmer down.
A long time ago we used to be friends.
Picked my bones in my pockets that's where it ends so.
Simmer down, control my temper.
Simmer down, the battle will be hotter.
Simmer down, ok here's what I say.
Simmer down, oh, I'm leavin' in a day.
Simmer down, here's what I say.
Simmer down, oh, I'm leavin' in a day.
Simmer down, okay here's what I'm sayin'.
Simmer down, it's got to be this way.
Where's the love?
Where is the loyalty?
We did our part now where is the love?
Simmer down, control my temper.
Simmer down, the battle will be hotter.
Simmer down, it's hard cause it hurts so.
Simmer down, kick me off.
Simmer down, but the pain still exists.
Simmer down, and hey I'm sure he'll be missed.
Simmer down, it'll make us stronger.
Simmer down, and we'll live alot longer so.
Simmer down, what goes around.
Simmer down, will come around.
Simmer down, I know I've got to simmer down.
Simmer down, I'm tryin' to simmer down.
Simmer down, I've got to got to Simmer Down ohh.
