

## What Was Was Over

The Mighty Mighty Bosstones

Do I really wanna step in here?  
I feel like my father at the horse track  
When he's down to his last sawbuck  
Do I really wanna step in here?  
I'm not as sure as I appear  
Tell me should we make this move  
And if it seems pathetic, pardon me  
I'm not as sure as I appear  
Thought it over, thought I'd walk over  
And over coffee we could chat  
But then, then I thought again  
Cause what was was over and now I know that  
Thought I'd call, we could talk it over  
I knew that wouldn't work somehow  
What was was over and I should just get over  
And that is where I'm at right now  
I'm really glad that you are here  
What could be could beat what was?  
We are is at any rate  
Yeah I'm really glad that you are here  
And we are is because what was is now was  
Pray for rain, it never does  
And after all that we've been through  
this is gonna have to do
