

## Promised Land

The Milk Carton Kids

Every now and then  
i'm gonna make you cry  
you won't remember when  
i won't remember why  
every peace I find  
seems to rise to say  
live for every light  
live for every day

I raise my hand, i raise my hand  
I raise my hand, i raise my hand  
I raise my hand to the promised land

Little girl you're all we've got for now  
you've gotta find a way to save us now  
it's turning dark and soon the chill will come  
if you find it in your heart would you find me some?

I raise my hand, i raise my hand  
I raise my hand, i raise my hand  
I raise my hand to the promised land

I'll say goodbye and say farewell, it seems  
my work is done-no more chasing dreams  
if you left, leave my heart to spare  
we could part but i'd still find you there

I raise my hand, i raise my hand  
I raise my hand, i raise my hand  
I raise my hand to the promised land
