

You Always Hurt The One You Love

The Mills Brothers

You always hurt the one you love
The one you shouldn't hurt at all
You always take the sweetest rose
And crush it till the petals fall

You always brea-eak the kindest hear-eart
With a hasty word you can't recall, so
If I broke your heart la-ast night
It's because I love you most of all

You always hurt the one you lo-ove
The one you shouldn't hurt at all
You always take the sweetest ro-ose
And crush it till the petals fa-all

You always break the kindest heart
With a hasty word you can't recall
So-o if I broke your heart last night
It's because I love you mo-ost of a-all

You always hurt the one you love
The one you shouldn't hurt at all
You always take the sweetest rose
Crush it, ti-ill the petals fall

You always brea-eak the kindest heart
With a hasty word you can't recall, so
If I broke your heart last night
It's because I love you most of all...
