

Dream On

The Mission

Every time that i look in the mirror All these lines on my face
getting clearer The past has gone In the night like dusk to da
wn Isn't that the way Everybody's got their price in life to pa
y I know and everybody knows Where it comes and where it goes I
knows and everybody sins You've got the truth to throw away

Half my life in book written ages Live and learn from fools and
from sages You know it's true All these feelings come back to
you Sing with me, sing for the years Sing for the laughter, sin
g for the tears Sing with me, just for today Never tomorrow or
the good lord will take you away Dream on, dream on, dream on D
ream until your dreams come true

Every time that you look in the mirror All those lines on your
face getting clearer You know it's true All these feelings are
coming back to you Sing with me, sing for the years Sing for th
e laughter, sing for the tears Sing with me, just for today Nev
er tomorrow or the good lord will take you away Sing with me, s
ing for the years Sing for the laughter, sing for the tears Sin
g with me, just for today Never tomorrow or the good lord will
take you away Dream on, dream on, dream on Dream until your dre
ams come true Dream on Dream until your dreams come true Dream
until your dreams come true Dream until your dreams Dream until
your dreams come true
