

Mercenary

The Mission

You're a sycophantic, bullshitting, cock sucking, arse licking,
mercenary

Mind numbing, money grabbing, motherfucking scum of the earth,
mercenary

You're a cringing, grovelling chicken shit, pissing waste of time

You're a crawling, whining hypocrite, you fucking piece of slime

You can take the money and run, but there's nowhere you can hide,

You arsehole mercenary

Send you woman I done by(?)

But you took me for a ride, you shitty mercenary

You're a parasite of the fucking world, cockroach I wanna kill

If I don't catch you first then instant karma will

So screw you, fuck you

Screw you, fuck you

You're a cringing, grovelling chicken shit, pissing waste of time

You're a crawling, whining hypocrite, you fucking piece of slime
