

To Die by Your Hand

The Mission

I want you to feel me
I want you to take my hand
I want you to heal me
I need you to understand
I want you to make me
I want you and i'll be damned
I want you to break me
Like the child that I am
I want you to thrill me
I want you to make me scream
I want you to kill me
To die by your hand
Would-be your dream
