

Wishing Well

The Mission

Take off your hat, kick off your shoes No, you're not going any
where Run around the town, singing your blues No, you're not go
ing anywhere

You've always been a good friend of mine and you always said fa
rewell But the only time that you're satisfied is when your fee
t's in the wishing well

Throw down your gun, you might shoot yourself Or is that what y
ou're trying to do Put up a fight you believe to be right Somed
ay the sun will shine through

You've always got something to hide, something you just can't t
ell And the only time that you're satisfied is when your feet's
in the wishing well

And i know what you're wishing for Love in a peaceful world Lov
e in a peaceful world Love in a peaceful world

You've always been a good friend of mine and you always said fa
rewell And the only time that you're satisfied is when your fee
t's in the wishing well Wishing well Wishing well Yeah
