

Crazy

The Moffatts

Life is such a funny thing
You never know what it'll bring
You know I'm just takin' it day by day
For you it comes so easily
For me it's just a fantasy
'Cause nothin', nothin' ever comes my way I see you there,
I watch you fly If I could be you I would touch the sky
But here I am, and there you are
Don't you know it's driving me
So crazy

I think I'm going crazy,
Can't take it anymore
Got one thing on my mind all the time
And it's driving me crazy, I think i'm going crazy
And I don't know what I'm doing I just can't take your grace in
my face
'Cause it's driving me crazy
You do just what you wanna do
Everybody wants to be with you
It's something that I just don't understand
I don't believe you know what you got
And that's what puts me over the top I'm running
I'm running just as fast as I can I see you there,
I watch you fly If I could be you I would touch the sky
But here I am, and there you are
Don't you know it's driving me
So crazy
