**The Moffatts** 

Life is such a funny thing You never know what it'll bring You know I'm just takin' it day by day For you it comes so easily For me it's just a fantasy 'Cause nothin', nothin' ever comes my way I see you there, I watch you fly If I could be you I would touch the sky But here I am, and there you are Don't you know it's driving me So crazy I think I'm going crazy, Can't take it anymore Got one thing on my mind all the time And it's driving me crazy, I think i'm going crazy And I don't know what I'm doing I just can't take your grace in mv face 'Cause it's driving me crazy You do just what you wanna do Everybody wants to be with you It's something that I just don't understand I don't believe you know what you got And that's what puts me over the top I'm running I'm running just as fast as I can I see you there, I watch you fly If I could be you I would touch the sky But here I am, and there you are Don't you know it's driving me So crazy
