

Girl Of My Dreams

The Moffatts

You are the girl of my dreams In my heart, I believe
You are the girl of my dreams, baby
Of my dreams
All alone, in my room
Wishing that you were here
Without you, in my arms I'm holding back all of the tears
Without you in my life I'll never be satisfied

Sometimes I feel I could have been better to you
All I wasnt is a chance
To prove that my love is true
Without you in my life I'll never be satisfied

Baby let's go back in time
To when our hearts would shine
And I could hold you tight In my dreams at night
