

## The Moffatts

Woke up this morning and you weren't there,  
The only scent was your perfume in the air.  
How could something come and go so fast?  
I guess this was just a one night romance.

I, I loved you  
I loved you true,  
I loved you and you and you.  
I, I remember  
I remember you,  
I remember when we fell in love.

And when I look into your eyes I realize  
That you're the only one for me.  
You, you make me smile,  
You make me cry,  
You make me see how love is meant to be.

And when I look into your eyes I realize  
That you're the only one for me.  
Yeah yeah

I, I loved you  
I loved you true,  
I loved you and you and you.  
I, I remember  
I remember you,  
I remember when we fell in love.

And when I look into your eyes I realize  
That you're the only one for me.  
Only one, only one for me.  
Only one, only one for me.
