Itty Bitty Smile

The Moffatts

She's got that itty bitty smile
Makes my heart go wild
And I feel like a puppet on a string
I'd surely walk a mile
Even change my style
In fact, I'd do almost anything
But I'm just too shy
To give it a try
And there's this long way to bring
My itty bitty heart under control
And give that girl a ring

Yes, that itty bitty girl with that itty bitty smile
Makes my heart go wild
But I just can't find the right place or time
To ask that girl of mine

Well, today at school you know I felt like a fool
When I blew that girl a kiss
Man she never even looked
She just grabbed her books
And she was gone along with my wish
Yeah, my heart was broke and that ain't no joke
'Cause that girl she's such a dish
But my itty bitty smile starts my itty b itty heart
Lovin' that girl again

Yes, that itty bitty girl with that itty bitty smile
Makes my heart go wild
But I just can't find the right place or time
To ask that girl of mine

Now I stayed in my room
But saw doom and gloom
From the pain I tried to hide
There's got to be a way for me to say
What I feel deep down inside
But I fear the pain'll be more o' the same
And I'll never say my time
Cause that itty bitty girl with that itty bitty sm ile
Is always on my mind

Yes, that itty bitty girl with that itty bitty smile
Makes my heart go wild
But I just can't find the right place or time
To ask that girl of mine

If she only knew what she meant to me
I know for sure that y'all would see
An itty bitty girl with that itty bitty smile
Sittin' right next to me
