

Lara (My Love)

The Moffatts

Searched this world all over,
For that one special girl;
Who was lookin for love
Not diamonds or pearls.
From outta nowhere
You entered into my life,
Like a ray of sunshine -
So warm and bright.

Touched my heart all over,
In a very special way.
I'll never forget that moment,
How it carried me away.

The time that we shared
Clings to my heart.
I knew it was love,
Right from the start.

I'll love you forever,
Forever and more,
For all that you gave me
Its you I adore.
I'll love you forever,
Forever and more,
Forever and ever
Forever and more.

Things of time have changed,
You drifted away.
But you left me with something,
To cherish each day;
A passion for life,
The courage to be strong,
The will to succeed,
And the sense I belong.

I'll love you forever,
Forever and more,
For all that you gave me
Its you I adore.
I'll love you forever,
Forever and more.
Forever and ever

I'll love you forever,
Forever and more,
For all that you gave me
Its you I adore.
I'll love you forever,
Forever and more,
Forever and ever
Forever and more.

Forever and ever
Forever and more.
