

## One More Chance

The Moffatts

You broke my heart  
When you walked away.  
On bended knees  
I begged you to stay,  
Cause I'm sorry for the words that I've said.  
I'm sorry for the tears that you've shed.

Give me one more chance  
To prove my love for you,  
Give me one more chance  
I'll make it up to you.  
Just one more chance  
To hold you tight,  
Please baby, let me make things right.  
Let me make things right.

Now I'm all alone,  
Looking for a way  
To bring you back  
So that I can say  
I'm sorry for the words that I've said,  
And I'm sorry for the tears that you've shed.

Give me one more chance  
  
To prove my love for you,  
Give me one more chance  
I'll make it up to you.  
Just one more chance  
To hold you tight,  
Please baby, let me make things right.  
Let me make things right.

Let me make things right,  
Let me hold you tight  
All through the night.

Give me one more chance  
To prove my love for you,  
Give me one more chance  
I'll make it up to you.  
Just one more chance  
To hold you tight,  
Please baby, let me make things right.  
Let me make things right.
