

D2 Boyfriend

The Moldy Peaches

When I was in middle-school,
I had a group of friends,
we wore jean jackets and sunglasses and listened to Duran Duran
.

There were 6 of us so when we played it didn't add up, you see-
everybody had a Duran Duran boyfriend but me.

I wasn't dating Nick Rhodes, I wasn't dating Roger Taylor, I wasn't dating John Taylor, I wasn't dating Andy Taylor, I wasn't dating Simon LeBon.

I was sitting by myself with my collar up, a tear in my eye and
an ache in my heart- my Converse on. And my Converse on.

My glow-in-the-dark with pink fat laces zebra-striped Converse
on. So if you are a kid and no one will play with you, stick it
out, stay tough, and you'll turn out super-cool!

When I go to a party everybody looks the same. I'm the one they
recognize. Everybody knows my name, everybody knows my name. Be
yourself.

Don't do- what everybody- tells you to do. Be yourself. Be proud
of yourself. You'll be cool. Super cool! (don't be uncool).
