

Lazy Confessions

The Moldy Peaches

Lazy confessions
Crazy intentions
Scratching unwilling
Sports cars are thrilling

I like potatoes
I don't like tomatoes
I'm goin' fishin'
'Cause I'm on a mission

I wanna live for today
I wanna roll in the hay
But I'm floating away
I've got nothing to say

It makes me slappy
To walk like your pappy
I need to improvise
Just lookin' at the pies

Boohoo, I'm dying
Ravenous sighing
I think you're pretty
My shrink says, I'm witty

I wanna live for today
I wanna roll in the hay
But I'm floating away
I've got nothing to say

But I'm floating away
I've got nothing to say
