

Nothing Came Out

The Moldy Peaches

Just because I don't say anything,
Doesn't mean I don't like you.
I open my mouth and I try and i try
But no words came out.

Without 40 oz. of social skills
I'm just an ass in the crack of humanity.
I'm just a huge manitee.
A huge manitee.

And besides you're probably holding hands
With some skinny, pretty girl that likes to
Talk about bands and
All I wana do is ride bikes with you
And stay up late and watch cartoons.

Duck Tales, Shirt Tails, Talespin, Sailor Moon, GI Joe,
Robotech, Ron Jeremy, Schmoo.

I wanna watch cartons with you.
Josie and the Pussycats and Scooby Do,
I want you to watch cartoons with me.
He-man, Voltron and Hong-Kong-Fui

I tried to ask you to your face
But no words came out.
I put on my hood and walked away,
That doesn't mean I don't like you.

And besides your probably holding hands
With some skinny, pretty girl that likes to
Talk about bands and
All I wanna do is ride bikes with you,
And stay up late and maybe spoon.

Just because I dont say anything
Doesn't mean I dont like you.
No...
I opened my mouth and i tried and i tried.

And besides you're probably holding hands
With some skiny, pretty girl that likes to
Talk about bands and
All I wanna do is ride bikes with you.
And stay up late and watch cartoons.

I'm just your average Thundercats ho.
