Nothing Came Out

The Moldy Peaches

Just because I don't say anything, Doesn't mean I don't like you. I open my mouth and I try and i try But no words came out.

Without 40 oz. of social skills I'm just an ass in the crack of humanity. I'm just a huge manitee. A huge manitee.

And besides you're probably holding hands With some skinny, pretty girl that likes to Talk about bands and All I wana do is ride bikes with you And stay up late and watch cartoons.

Duck Tales, Shirt Tails, Talespin, Sailor Moon, GI Joe, Robotech, Ron Jeremy, Schmoo.

I wanna watch cartons with you.

Josie and the Pussycats and Scooby Do,
I want you to watch cartoons with me.
He-man, Voltron and Hong-Kong-Fui

I tried to ask you to your face But no words came out. I put on my hood and walked away, That doesn't mean I don't like you.

And besides your probably holding hands With some skinny, pretty girl that likes to Talk about bands and All I wanna do is ride bikes with you, And stay up late and maybe spoon.

Just because I dont say anything Doesn't mean I dont like you.
No...

I opened my mouth and i tried and i tried.

And besides you're probably holding hands With some skiny, pretty girl that likes to Talk about bands and All I wanna do is ride bikes with you. And stay up late and watch cartoons.

I'm just your average Thundercats ho.
