## Who's Got the Crack

## The Moldy Peaches

There's no such thing As a harmless joke There's no such thing As a gentle toke There's no such thing As panama jack Who's got the crack Who's got the crack Who's got the crack Who's got the crack Who's got the crack

I am a goat
In a moat
With a boat
Who's got the crack
Who's got the crack
Who's got the crack
Who's got the crack

I like it when
My hair is poofy
I like it when
You slip me a roofy
I like it when
You've got the crack
Who's got the crack

I wanna be a hippie
But I forgot how to love
It's hard to be a garbage man
When a sailor stole my glove
I wanna be reckless
But I'm feeling so uptight
Put your mama in a headlock baby
And do it right
Who's got the crack
Who's got the crack
