

Gettin' In

The Monkees

I'm gettin' in to your heart
I'm gettin' in to your mind
You'd better learn from the start
You'll never leave me behind

My love's surrounding you
My love will be your shield
Just take me in to your heart
And all will be revealed

Don't be scared to love me darling
I won't chain you down, you know
My love sets you free for flying
Hold me, kiss me, off you go
I'll stay with you
I'm gonna stay with you
I'll stay with you
I'm gonna stick with you

I'm gettin' in to your heart
I'm gettin' in to your mind
You'd better learn from the start
You'll never leave me behind

I was given love like this
It was a gift I pass to you
You'll be happy when you get it
I was when I got it, too
I'll stay with you
I'm gonna stay with you
I'll stay with you
I'm gonna stick with you

I'm gettin' in to your heart
I'm gettin' in to your mind
You'd better learn from the start
You'll never leave me behind

I love you baby, baby
Love you everywhere
Take me with you when you fly
