Gonna Build A Mountain

The Monkees

I'm gonna build a mountain, from a little hill. I'm gonna build a mountain, least I hope I will. I'm gonna build a mountain, I'm gonna build it high. I don't know how I'm gonna do it, only know I'm gonna try.

I'm gonna build a daydream, from a little hope. I'm gonna push the daydream, up that mountain slope. I'm gonna build a daydream, woah, I'm gonna see it through. Gonna build a mountain and a daydream, Gonna make 'em both come true.

I'm gonna build a heaven, as a will someday, And the Lord sends Ga-bri-el to take me away. Woah, I want to fine young son, to take my place. I'll leave my son in my heaven on earth with the good Lord's gr ace.

I'm gonna build a mountain, from a little hill. I'm gonna build a mountain, least I hope I will. I'm gonna build a mountain, yeah, gonna see it through. Gonna build a mountain and a daydream, Gonna make 'em both come true.
