How Insensitive

The Monkees

How insensitive
I must have seen
When she told me that she loved me
How unmoved and cold
I must have seen
When she told me so sincerely
Why, she must have asked,
Did I just turn and stare in icy silence?

What was I to do?
What can you do
When a love affair is over?

So now she's gone away
And I'm alone
With the memory of her last look
Vague, and drawn and sad
I see it still
All the heartache in that last look
Why, she must have asked,
Did I just turn and stare in icy silence?

What was I to say? What can you say When a love affair is over?
