

# I Got A Woman

The Monkees

Mike: Alright, and now, here he is, the hardest workin' man in show business, the man who brought you such hits as 'The Last Train To Clarksville', and 'I'm A Deceiver'. Columbia Pictures Corporation and Screen Gems is proud to present, His Royal Majesty, Micky 'James Brown' Dolenz! One, two, three, four!

I got a woman  
All the time  
She's good to me  
She's good to me  
I got a woman  
All the time  
She's good to me  
She's good to me-me-me-me-me

Oh, now she's my baby  
Don't you understand?  
I know, I know, I'm her lovin' man

I got a woman  
All over town  
She's good to me  
She's good to me  
I got a woman  
All the time  
She's good to me  
She's good to me  
I got a woman  
All the time  
She's good to me  
She's good to me-me-me

And now baby  
Oh yes indeed  
I know I'm the kind of guy she needs

I got a woman  
All the time  
She's good to me  
She's good to me

She always answers  
My beck and call  
Every lovin' mama  
Mama, she's so tall  
I'd be so proud walkin' by her side  
Couldn't get a better girl no matter how hard I tried

I got a woman  
All the time  
She's good to me  
She's good to me  
I got a woman  
All the time  
She's good to me  
She's good to me

Ah, now she's my baby  
Don't you understand?  
And I know, I'm her lovin' man

I got a woman  
All the time  
She's good to me  
She's good to me

She always answers  
My beck and call  
Every lovin' mama  
Mama, she's so tall  
I'd be so proud walkin' by her side  
Couldn't get a better girl no matter how hard I tried

I got a woman  
All the time  
She's good to me  
She's good to me  
I got a woman  
All over town  
She's good to me  
She's good to me

Now, she's my baby  
Don't you understand?  
I know, I know, I'm her lovin' man

I got a woman  
All the time  
She's good to me  
She's good to me  
She's good to me  
She's good to me  
She's good to me  
Aww, I got to, got to  
Good to me  
She's good to me  
She's good to me  
Good to me

Let me hear you say "Yeah!"  
Yeah! Yeah! Yeah! Yeah!...

Micky: Whoa!

Davy: Hello!... no shorts jokes, no short jokes!
