

# It's Nice to Be With You

The Monkees

Hey!  
Look what you have done.  
Showing me the sun,  
And now it's shining through.  
It's nice to be with you.

Hey!  
I like the things you say,  
And I like the way  
You do the things you do.  
It's nice to be with you.

Each time that I give my heart to someone new,  
They just turn it blue.  
But this time  
Is my time,  
And my time  
Is all the time I have  
To be with you.  
So, please  
Never go away.  
Say you're going to stay,  
And make my dreams come true.  
It's nice to be with you.

Each time that I give my heart to someone new,  
They just turn it blue.  
But this time  
Is my time,  
And my time  
Is all the time I have  
To be with you.  
So, please  
Never go away.  
Say you're going to stay,  
And make my dreams come true.  
It's nice to be with you.
