

## Papa Gene's Blues

The Monkees

No heartaches felt no longer lonely  
Heights of waiting finally won me  
Happiness that's all rolled up in you

And now with you as inspiration  
I look toward a destination  
Sunny bright that once before was blue

I have no more than I did before  
But now I've got all that I need  
For I love you and I know you love me

So take my hand I'll start my journey  
Free from all the helpless worry  
That besets a man when he's alone

For strength is mine when we're together  
And with you I know I'll never  
Have to pass the high road for the low

I have no more than I did before  
But now I've got all that I need  
'Cause I love you and I know you love me  
Yes, I love you and I... know... you....love....me!!!!!!!!!!
