

We'll Be Back In A Minute

The Monkees

We'll be back,
In a minute, back
Don't forget it,
Don't you go away,
Better stay right there,
Don't you turn us off
'Cause there's no place else to go, to go.
We'll be back,
In a minute, back
Don't forget it,
Don't you go away,
Better stay right there,
Don't you turn us off
'Cause there's no place else to go but the show.
