

# When Love Comes Knockin'

The Monkees

by Micky Dolenz

We'll be back,  
In a minute, back  
Don't forget it,  
Don't you go away,  
Better stay right there,  
Don't you turn us off  
'Cause there's no place else to go, to go.  
We'll be back,  
In a minute, back  
Don't forget it,  
Don't you go away,  
Better stay right there,  
Don't you turn us off  
'Cause there's no place else to go but the show.
