

Drugs In My Pocket

The Monks

I got drugs in my pocket
I don't know what to do with them
I've got drugs in my pocket
Am I really through with them?

I mean I ask myself, do I really need to be permanently high?
Stayin' awake for hours and watch my life pass by,
Cause I've got drugs in my pocket and I don't know what to do with them
(Drugs in my pocket, Drugs in my pocket)
Yeah! I've got drugs in my pocket, I'm wearing out me shoes for them,
I've got drugs in my pocket, I'll never need a cure for them.

They say it turns you crazy, they say it makes you sick,
To me it's all the same, cause I'm just bleedin' thick,
I've got drugs in my pocket and I don't know what to do with them
(Drugs in my pocket, Drugs in my pocket)

"Hey what you got for me today mate? Anything nice?"

"Well I got some upper or I got some downer man or I got some real
Hard grass all the way from Jamaica to sell in Brixton.
Try some of this."

"All right, i'll have a go, hang on. Cool, that's all right ain't it."

Oh Oh, Oh Oh, Oh Oh

I got drugs in my pocket, I don't know what to do with them
(Drugs in my pocket, Drugs in my pocket)
I got drugs in this pocket, more than just a few of them
(Drugs in my pocket, Drugs in my pocket)

Yeah cause I got drugs for when I'm dancing, and drugs for down the club,
Drugs to watch a movie, I need drugs when I make love!

Drugs in my pocket and I don't know what to do with them
(Drugs in my pocket, Drugs in my pocket)
I've got these drugs in my pocket and i don't know what to do with them
(Drugs in my pocket, Drugs in my pocket)

OH! I've got drugs in my pocket and I don't know what to do with

h them

(Drugs in my pocket, Drugs in my pocket)

Yeah! I've got drugs in my pocket I don't know what to do with them!
