

# I Don't Mind

The Moody Blues

I don't mind your love,  
I don't mind the one you're thinking of  
'Cause I know, baby I know,  
You're going to miss me.  
I don't mind, he loves you so,  
I don't mind, it can't grow cold  
'Cause I know, baby I know,  
You're going to miss me.

Baby, tell me what you've got to say.

I don't mind, this is all of my song.  
I don't mind, goodbye, so long.  
'Cause I know, I know,  
You're going to miss me.

Baby, can you ever let me go?  
You know, you know that I love you so.  
Why'd you ever leave me?  
Why'd you ever leave me?  
Oh, so we will die
