

One More Time To Live

The Moody Blues

Look out of my window
See the world passing by
See the look in her eye

One more time to live and I have made it mine
Leave the wise to write
for they write worldly rhymes
And he who wants to fight begins the end of time
For I have riches more than these
For I have riches more than these

Desolation
Creation
Evolution
Pollution
Saturation
Population
Annihilation
Revolution
Confusion
Illusion
Conclusion
Starvation
Degradation
Humiliation
Contemplation
Inspiration
Elation
Salvation
Communication
Compassion

(Tell me someone why there's only confusion)
(Tell me someone that this is all an illusion)
(Tell me someone)
(Tell me someone)

(Tell me someone why this talk of revolution)
(Tell me someone when we're changing evolution)
(Tell me someone)
(Tell me someone)

(Changes in my life)
(Changes in my life)
(Changes in my life)
(Changes in my life)

Look out on the hedgerow
As the world rushes by
Hear the birds sing a sigh

One more tree will fall,
how strong the growing vine
Turn the earth to sand and still commit no crime
How one thought will live provide the others die
For I have riches more than these
For I have riches more than these
