

# Steal Your Heart Away

The Moody Blues

Hey, hey, hey you know that  
Feels so fine  
I want to love you all the time

I'm gonna steal your heart away  
Steal your heart away  
I'm gonna steal your heart away  
No more will it stray  
Steal your heart away

What should I care about  
About your other man?  
I just want to love you  
As much as I can

I'm gonna steal your heart away  
Steal your heart away  
I'm gonna steal your heart babe  
No more will it stray  
Steal your heart away

My mama told me  
Before I was five years old  
She said "Your gonna be a star someday  
Son, you got heart & soul"

Steal your heart away  
Steal your heart away  
I'm gonna steal your heart baby  
No more will it stray  
Steal your heart away
