

I Like You

The Moog

It's so hard to understand you
I feel so numb, when you want me to
Solve all of the problems, that I
Don't even know

(but) I like you and I like you, yeah I like you
'cause there's no anyone like you
yeah you make me feel so fine
And yeah I like you and I like yeah I like you
The world is awful without you
Yeah I wanna hold you tight

I can't be the type of guy you
Really need
This situation is so fucked/all up
I know I should leave
But I can not

('cause) I like you and I like you, yeah I like you
'cause there's no anyone like you
yeah you make me feel so fine
And yeah I like you and I like yeah I like you
The world is awful without you
Yeah I wanna hold you tight

I do not know,
what I should do...

and yeah I like you and I like you, yeah I like you
'cause there's no anyone like you
yeah you make me feel so fine
And yeah I like you and I like yeah I like you
The world is awful without you
Yeah I wanna hold you tight

All right
Come on
Come on
