

Your Sweet Neck

The Moog

I can't tell if I'm dead or alive
(Why) do you have to leave when I arrive?
Oh you can't feel this pain

It is always dangerous to shout
So I shut my mouth and rather smile
Into your pretty face

But I won't rest until I have
Just a bite of your sweet neck
No, I won't rest until I have
Just a bite of your sweet neck my love
Oh my love
Oh my love
Oh my love

There are a million storms inside of me
(I) hope one day you'll be able to see
How they break out for you

I'm a refugee who cannot sleep
Till you finally recognize me
And I can make you smile

So I won't rest until I have
Just a bite of your sweet neck
No, I won't rest until I have
Just a bite of your sweet neck my love
Oh my love
Oh my love
Oh my love

We always want
What we never can get... X4

(But) I won't rest until I have
Just a bite of your sweet neck
No, I won't rest until I have
Just a bite of your sweet neck my love
Oh my love
Oh my love
Oh my love
