

Heavy Hearts

The Morning Benders

It's been so long
Since I been alone
I can't think of a time
When you will realise
That you were breathing by my side
My mother said
To talk things true
Don't let heavy hearts pile up on you
But how can I
When I'm too scared to speak
I cried all night
But I put in too much to turn away now

I've been waiting for you to say
That I am better off
With out you
Anyway
But we both know that that's just a lie
But what's said is done
We're almost gone
I can't see your face
Ooohhh ooohhh
I can't find my way
Ohhhhh whooooaa
I can't catch a break
Ohhhhh whooooaa
I can't count the days
Everyone looks the same
Everyone looks the same
Ohhh whooooaa
Everyone looks the same
Ohhh whooooaa
Everyone looks the same
Ohhh whooooaa
Everyone looks the same
Ohhh whooooaa
Ohhh whooooaa
