Heavy Hearts

The Morning Benders

It's been so long Since I been alone I can't think of a time When you will realise That you were breathing by my side My mother said To talk things true Don't let heavy hearts pile up on you But how can I When I'm too scared to speak I cried all night But I put in too much to turn away now I've been waiting for you to say That I am better off With out you Anyway But we both know that that's just a lie But what's said is done We're almost gone I can't see your face Ooohhh oohhhh I can't find my way Ohhhhh whoooaaa I can't catch a break Ohhhhh whoooaaa I can't count the days Everyone looks the same Everyone looks the same Ohhh whoooaaa Everyone looks the same Ohhh whoooaa Everyone looks the same Ohhh whoooaa Everyone looks the same Ohhhh whoooaaa Ohhhh whoooaaa
