

Bonjour Baby

The Motels

Heartbeats and I'm ready, ready
I take you with me, hold me steady
Metro station taxis waiting maybe
Just to say bonjour

Dark night
Don't go
So slow
Night rain
I'm walked out
I'm talked out
Curtis night train

Soldier's faces distant
Call me, call me
Just to say bonjour
Just to say bonjour

Bonjour, my baby
Bonjour, my baby
Bonjour, my baby
Bonjour, my baby

Just to say bonjour
Please don't say bonjour
Just to say bonjour
