

# Hungry

The Motels

You walk through the door  
I see that look in your eyes  
I know what's coming  
And I need it tonight  
Only one step away from love  
Only one kiss before it's done

'Cause I'm hungry for the moment  
I can't hold you tonight  
I get hungry in the morning  
Hungry every night

You turn me on  
There's nothing I can do  
I'm one step beyond  
As I lie here with you  
Now every part of me is yours  
I take you all tonight, no way

'Cause I'm hungry for the moment  
I can't hold you tonight  
I get hungry for the morning  
I'm hungry every night

I shudder, I shake  
Alive in a dream  
Every touch of your hand  
Is inside of me  
I shiver cold as you caress  
I take a hold of tenderness

'Cause I'm hungry for the moment  
I can't hold you tonight  
And I'm hungry in the morning

'Cause I'm hungry  
'Cause I'm hungry  
'Cause I'm hungry
