

Downtown in the apartment  
Where mama lives  
Downtown all the big cars  
In the fancy garage  
Downtown baby he's so smooth  
He's really smart  
Downtown all the young girls  
With all their broken hearts

Now he goes to the store to buy some more kicks  
Then he goes downtown to try some on tricks

Kicks  
What the hell you do  
With these kicks today  
Kicks  
What the hell you do  
With these kicks today

Kicks  
He's got all the kicks that he wants  
Kicks  
He's got all the kicks that he needs  
Kicks  
He's got all the kicks he can use  
He's so amused
