

# Monday Shutdown

The Motels

Shadows of Sunday  
Can't stand that one day  
When living screeches to a stop  
Here I go again  
Man it never ends  
Day after day things stay the same  
They shut the door on me again  
Don't know who they are  
They don't know me  
I walk down the halls of this  
Great company

Do I really go downtown  
Just to face Monday shutdown  
Monday shutdown

I might be here for the rest of my life  
Don't know how long it's been  
I smile for no reason  
Away from the daily prison  
They shut the door on me again

Do I really go downtown  
Just to face Monday shutdown  
Monday shutdown

Day by day  
No it never stops  
Have to stay alive  
Just to face  
Five days that break my heart

Objects in the mirror  
Not as close as they appear  
Endless week becomes a year  
Monday starts it off  
Monday never stops  
I can't stand another year  
Living here in constant fear  
I'm gonna go insane  
I'm gonna break away  
Say goodbye to life of pain  
I'll find a brand new game

Do I really go downtown  
Just to face Monday shutdown  
Monday shutdown  
Monday shutdown  
Monday shutdown  
Monday shutdown
