

# Suddenly Last Summer

The Motels

It happened one summer  
It happened one time  
It happened forever  
For a short time  
A place for a moment  
An end to dream  
Forever I loved you  
Forever it seemed

One summer never ends  
One summer never began  
It keeps me standing still  
It takes all my will  
And then suddenly  
Last summer

Sometimes I never leave  
But sometimes I would  
Sometimes I stay too long  
Sometimes I would  
Sometimes it frightens me  
Sometimes it would  
Sometimes I'm all alone  
And wish that I could

One summer never ends  
One summer never begins  
It keeps me standing still  
It takes all my will  
And then suddenly  
Last summer  
And then suddenly  
Last summer

One summer never ends  
One summer never begins  
It keeps me standing still  
It takes all my will  
And then suddenly  
Last summer  
And then suddenly  
Last summer  
Until suddenly  
Last Summer

And then suddenly  
Last summer  
Until suddenly  
Last Summer
