

## Cruising For Burgers

## The Mothers of Invention

I must be free  
My fake I.D.  
Freeeeeeees me  
Gotta do a few things  
To make my life complete  
I gotta live my life  
Out on the street  
The difference between us  
Is not very far  
Cruising for burgers  
In daddy's new car  
My phony freedom card  
Brings to me  
Instantly  
ECSTASY
