

## Deseri

### The Mothers of Invention

When I'm dancing with Deseri  
All the boys are jealous of me  
I'm as happy as I can be  
Oh, Deseri

I'm as happy as I can be  
Whenever I'm with Deseri  
She saves her lovin' just for me  
Oh Deseri

I will never be untrue  
I will never ever make her blue  
She'll never sigh, cry, sit and pine  
We will share a love divine  
Deseri is mine

I'm as happy as I can be  
Whenever I'm with Deseri  
'Cause she saves her lovin' just for me  
Oh Deseri

Deseri, Deseri, the first day we met  
I'll never forget  
I saw you walking down the street  
And my heart skips a beat  
I told you of my love for you  
But there was nothing, nothing you would do  
I said, please hear my plea  
Come dance with me  
Oh Deseri, you came  
We went to the dance that night  
I held you so tight  
And I know that our love will last thru the years  
For ever, holding each other, for cram & for dorssn
